## URUGUAY PERFIN

ROLF NIEVERGELT (a Swiss member) has sent this unusual item in the hope that someone within the Society might have some more information.

The 3 cents stamp from Uruguay is postmarked EXTERIOR (which probably means for posting outside the country) MONTEVIDEO 14-1 XII 32 (presumably 14 December 1932). It has been stuck on to a much larger 'stamp' showing what appears to be six advertisement panels.

Both items (i.e. the stamp and the advertisement pane) have been perforated through with CI/DA. The illustrations are shown full size.
